# Summary

➡ Jack and Annie accidentally discovered a magical tree house in the forest. They discovered that as long as they pointed at the words or pictures in the book and made a wish, they could reach that place.

# Summary

➡ They used this magical tree house to travel through time and space and complete the magical tree house. Their master Morgan gave them the tasks, and they learned a lot of new knowledge, profound truths and beautiful moral qualities.

# Role

- ➡ **Jack** , one of the protagonists, is Annie's brother. Eight and a half years old, from Frog Creek Town, he is very careful and will immediately write down new things in his notebook when he discovers them.  
**Adventure with your sister Annie.**

# Role

- ➡ **Annie**, one of the protagonists, is Jack's sister. Seven years old, from Frog Creek Town, bold and adventurous, and loves animals.
- ➡ **Morgan**, the owner of the Magic Tree House and the leader of the Knights of the Round Table, will give Jack and Annie tasks.
