Summary

Jake and Annie are brother and sister. They were called Master Librarian. They went to magic tree house for finding Morgan. She gave them an important mission for saving some stories, so they suddenly arrived in an ancient Roman town.

They need to find out libraries, but they looked for them on the way, and they watch many places , such as forum, church and others. Finally, they found the ancient story. One day, the nightmare actually happened. There are much pumice rained down and everyone was scared. At that time, they hold the story and shout: Save Us, Story! Everyone already was saved and peaceful. At last, they gave it to Morgan. It is an amazing vacation.
